

## August Newsletter – What’s Happening in August at the Club and Beyond

We have had a lot of stormy/rainy weather in July which is good for our course conditions but not so good for our cart paths. Last week we did major repair work to the path over the bridge to #5 back tees.

It looks like a very busy August, including hosting 3 tournaments (senior men’s and women’s intersectional and the Blakely Cup for the Juniors).

### Restaurant and Bar (The Turn):

During July we did a trial with opening early every morning. We have now done the business analysis on traffic and costs associated with that trial and are adjusting slightly to the following hours (weather permitting).

- Monday - Wednesday 11am to 9pm
- Thursday - Friday 9am to 9pm
- Saturday - Sunday 11am to 7pm

### New Service:

We have installed a small fridge in the Pro Shop which carries water, energy drinks and chocolate bars for sale. This is available to members and guests when the restaurant is not open.

### Club Sections:

#### Juniors

Junior Club Championship on Wednesday, August 2 starting at 12:30pm. Options for 18 holes, 9 holes and 3 holes are available for our juniors aged between 7 and 18.

If you have any time that day, please consider volunteering (contact Scott at [drgc.vicepresident@gmail.com](mailto:drgc.vicepresident@gmail.com)) or coming out to cheer our team on.
