Other things to note:

- Our new Strategic Plan (2024-2028) is now on the Members Corner website. Many thanks to Bob Drouin and the board for making this happen. If you have any comments or suggestions please forward to Bob or any board member.
- Our Junior Programs have received a prestigious award, being recognized by Golf Canada as the best Junior Grassroots Program in Canada in 2023. At the end of May, our Golf Pro, Drew Calver, and our President, Joyce Aiston, will be going down to the Hall of Fame event for a special presentation which is taking place in Hamilton as part of the RBC Canadian Open. Congratulations and thanks to Drew, the many volunteers and the young golfers themselves who made this happen.

Words from our Greens Superintendent (Mika Pehkonen) and our Pro (Drew Calver)

- Be sure to promptly replace any divots on the course. This is particularly important at this time of year when the grass does not grow in easily. If you have sand/soil mixture at hand, that is also a good way to go. Please help our course to grow into the season with excellent playing conditions.
